

-CONDITIONS for TRANSFER from NON-THESIS PROGRAM to THESIS PROGRAM

Based on the number of graduate students in the programs and the thesis load of the faculty, the requirements for transfer from non-thesis program to thesis program are listed below:

- (i) The must courses should be completed in the first two semesters successfully,
- (ii) CGPA should be more than equal to 3.0,
- (iii) A signed document from the faculty who agrees to supervise the thesis,
- (iv) A thesis topic and a short thesis proposal approved by the thesis supervisor.

The evaluation is made based on the supervisor-load of, academic performance of the student in core courses and CGPA.

The students fulfilling these conditions can apply for transferring from non-thesis to thesis option within the same program.
